Dispetting's Differences

### WHY TRUST THE BIBLE?

THE REASON FOR HOPE

#### STARTING POINT

"...for ultimate authorities to be ultimate authorities, they have to be the standard for their own authentication. You cannot account for them without using them." (Michael J. Kruger)

If the Bible is God's Word, then it is an ultimate <u>AUTHORITY</u> and so it must be self-authenticating.

2 Timothy 3:16-17 says that scripture is ultimately the product of GOD not man and they are SUFFICIENT to fully equip us for every good work.

# 2 Peter 1:20-21 says that the meaning of scripture is NOT a matter of one's own private interpretation.

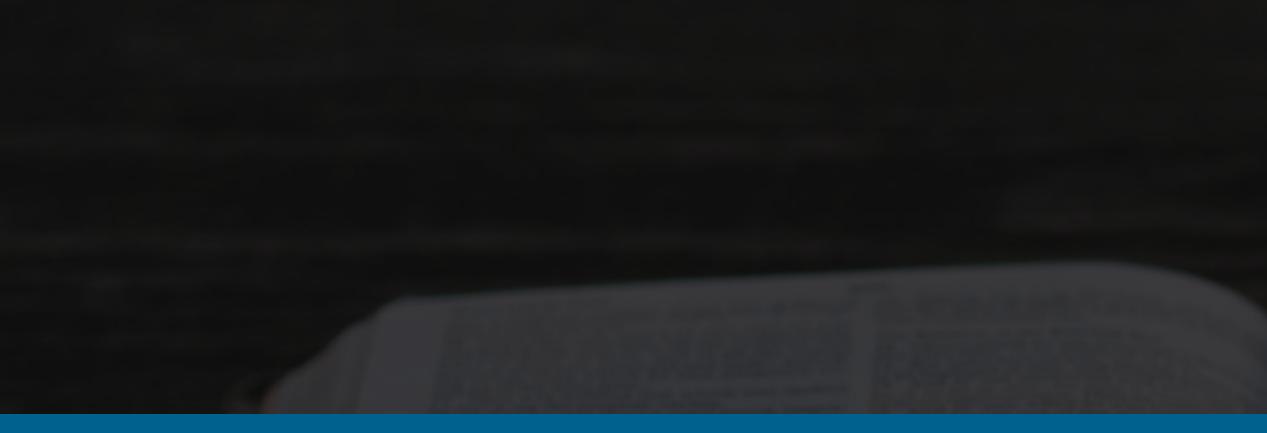

God meant to say something *specific* to us and intends for us to *rightly understand* His message.

# What scripture is claiming is that when we **READ** or hear the Bible preached, it is God speaking to us.

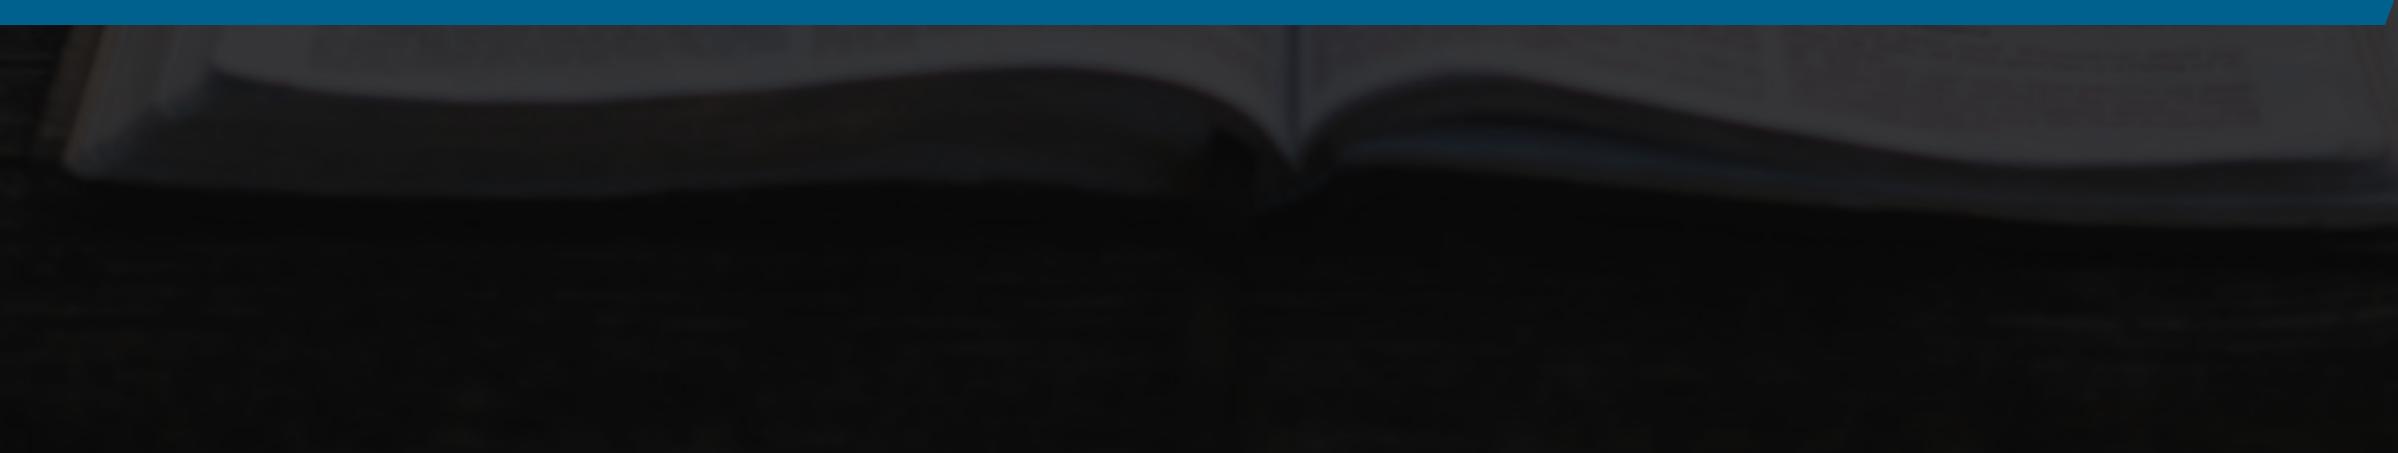

We better listen up!

**TAKE AWAY:** The Bible is God speaking directly to us. Properly interpreted, its commands are binding on us, and it is sufficient for salvation and to equip us for every good work.

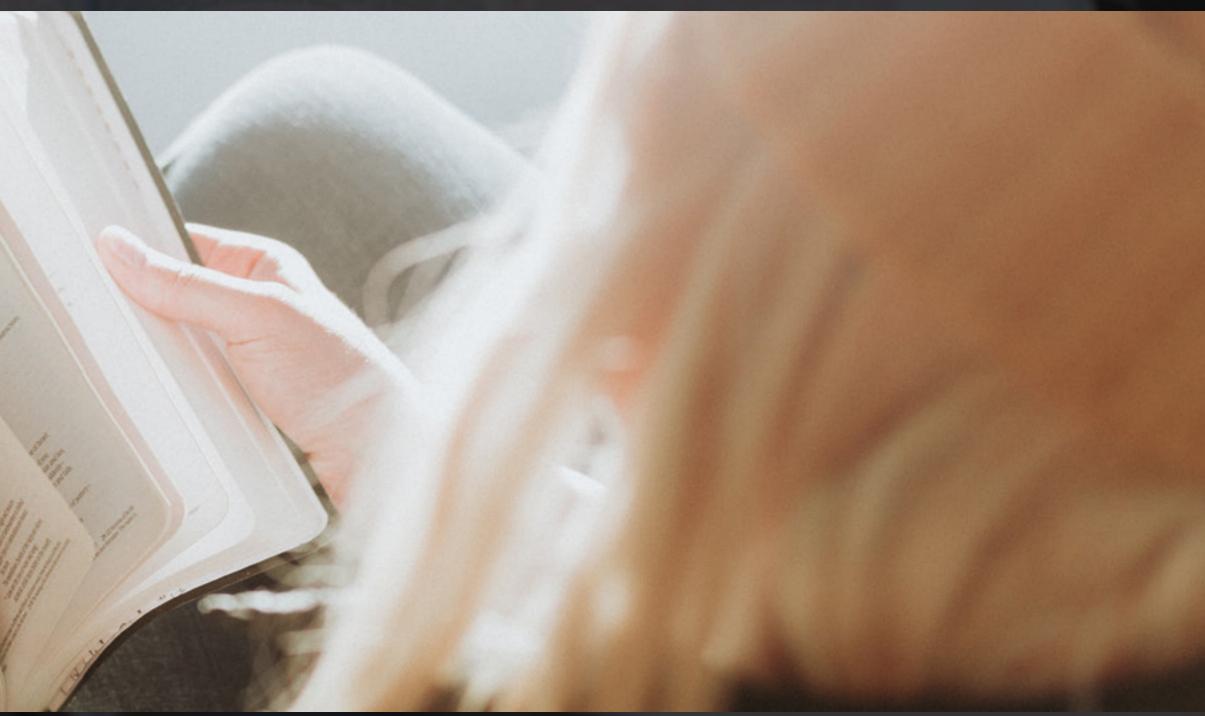

## **FURTHER RESOURCES**

#### **2. LOOK INSIDE:** DOES THE BIBLE MATCH ITS CLAIMS?

#### DOES THIS LOOK LIKE HONEY?

#### **3 Self-Authenticating Qualities of Scripture:**

#### A. INTERNAL CONSISTENCY

### B. FULFILLED PROPHECY

#### C. FAITHFUL PRESERVATION

#### A. INTERNAL CONSISTENCY (GENESIS - REVELATION)

If the Bible is ultimately the product of One Divine Author, then its collective message should be consistent across all of its books.

#### A. INTERNAL CONSISTENCY (GENESIS - REVELATION)

#### BIBLE VISUAL ARC (63,779 CROSS-REFERENCES)

The Bible tells the unified, coherent story of humanity's creation by God, subsequent **REBELLION** against God, and God's gracious **RESCUE** of His people.

"You search the Scriptures because you think that in them you have eternal life; and it is they that bear witness about me, yet you refuse to come to me that you may have life." (John 5:39-40)

"And beginning with Moses and all the Prophets, he interpreted to them in all the Scriptures the things concerning himself." (Luke 24:27)

"lesus performed many other signs in the presence of his disciples, which are not recorded in this book. But these are written that you may believe that lesus is the Messiah, the Son of God, and that by believing you may have life in his name." (John 20:30-31)

**TAKE AWAY:** The Bible, as God's word, has One Ultimate Author telling ONE STORY of God's redemption. No other religious work has the same level of diversity of human authorship, yet consistency of a singular Divine message.

Aside from the claim of contradictions, most objections to the Bible are not actually problems at all from a logical perspective. For example, suppose that someone claims, "The Bible can't be trusted because it contains accounts of miracles, and miracles are clearly impossible." This argument is not rationally sound because it begs the question...

Clearly, an all-powerful God as described in the Bible would be capable of doing miracles. Thus, by merely assuming that miracles are impossible, the critic has already dismissed the possibility that the Bible is true. His argument is circular. The critic is essentially arguing that the Bible is false because the Bible is false. (Dr. Jason Lisle)

All things in Scripture are not alike plain in themselves, nor alike clear unto all (2 Pet. 3:16): yet those things which are necessary to be known, believed, and observed for salvation are so clearly propounded, and opened in some place of Scripture or other, that not only the learned, but the unlearned, in a due use of the ordinary means, may attain unto a sufficient understanding of them (Psa. 119:105, 130). (Westminster Confession of Faith 1.7)

By various estimates, Jesus Christ fulfilled over **300** specific prophecies about the Messiah in his birth, life, death and resurrection.

This is the whole point of the Bible: to point to Jesus Christ as the long awaited Saviour of the world!

THE MESSIAH WOULD: be born of a virgin have been the object of a murderous plot to kill him as a baby be a descendant of David • be preceded by a messenger like Elijah be betrayed for 30 pieces of silver be forsaken and pierced but vindicated be resurrected

#### C. FAITHFUL PRESERVATION CANON & TRANSMISSION

If the Bible is God's word, He will preserve it for us so that we can be confident that what we have and read today is really what He meant for us to have.

I. THE BIBLICAL 'CANON' How do we know what is supposed to be in the Bible?

The term 'canon' - from the Greek word  $\kappa\alpha\nu\omega\nu$ (kanón) - simply means "measuring rod or standard."

We're talking about the limits of the library.

# Q. 4. How does it appear that the Scriptures are of the Word of God?

The Scriptures manifest themselves to be the Word of God, by their majesty and purity; by the consent of all the parts, and the scope of the whole, which is to give all glory to God; by their light and *power* to convince and convert sinners, to comfort and build up believers unto salvation: but the Spirit of God bearing witness by and with the Scriptures in the heart of man, is alone able fully to persuade it that they are the very word of God.

• Their power to convert sinners and create a people of God who are 'zealous for good works' (Tit. 2:14). • Their abilities to comfort, build up, rebuke and sanctify the believer (2 Tim. 3:16-17). • They bring wisdom (Ps. 119:98; 2 Tim. 3:16), • give joy to the heart (Neh. 8:8–12; Ps. 119:11), • expose sin and guilt (2 Kings 22:11–13; Acts 2:34-37; Heb. 4:12-13) • give peace and comfort (Ps. 119:50)

#### Jesus said it this way:

"My sheep hear my voice, and I know them, and they follow me." (John 10:27)

### II. APOSTOLIC ORIGINS

The New Testament canon is not so much a collection of writings by apostles, but a collection of apostolic writings—writings that bear the authoritative message of the apostles and derive from the foundational apostolic era (even if not directly from their hands). (Michael J. Kruger, Canon Revisited)

### 1 Clement (c.96AD) says:

"The Apostles received the Gospel for us from the Lord Jesus Christ, Jesus the Christ was sent from God. The Christ therefore is from God and the Apostles from the Christ." (1 Clement 42:1-2)

### Irenaeus (c.130-202 AD) says:

"We have learned from none others the plan of our salvation, than from those through whom the Gospel has come down to us, which they did at one time proclaim in public, and, at a later period, by the will of God, handed down to us in the Scriptures, to be the ground and pillar of our faith."

(Irenaeus, Against Heresies 3.1.1)

### III. WIDESPREAD RECEPTION

The church over time recognizes the voice of the Shepherd in the books of scripture through their divine qualities and apostolic origins.

Thus, the role of the church in recognizing the canon is more like a thermometer than a thermostat.

### **Complete Canonical List**

### ATHANASIUS 296-373

From the Greek,  $\dot{\alpha}\pi \dot{\alpha}\kappa\rho\nu\phi\sigma\varsigma$  (apokryphos), meaning "obscure." These are books of doubtful authenticity and thus considered non-canonical.

# None of the apocryphal books bore the 3 INTERCONNECTED qualities of genuine canonical books.

**TAKE AWAY:** The Biblical canon of books we have today are self-attested by their divine qualities, apostolic origins and corporate reception. What we have is what God intended.

## II. TEXTUAL TRANSMISSION

The Bible claims that God's word stands forever (Isa. 40:8), and Jesus even claims that heaven and earth would sooner pass away than even one of the smallest marks of his words (Matt. 5:18, 24:35).

Is it like a game of broken telephone?

### PRESERVATION OF THE OLD TESTAMENT

The traditional Hebrew and Aramaic version of the OT which we have preserved today is called the Masoretic Text.

### PRESERVATION OF THE OLD TESTAMENT

For example, the Scroll of Isaiah was found to be 95% the same - and the 5% difference was mainly in obvious scribal mistakes which made no difference to the meaning of the text.

### PRESERVATION OF THE NEW TESTAMENT

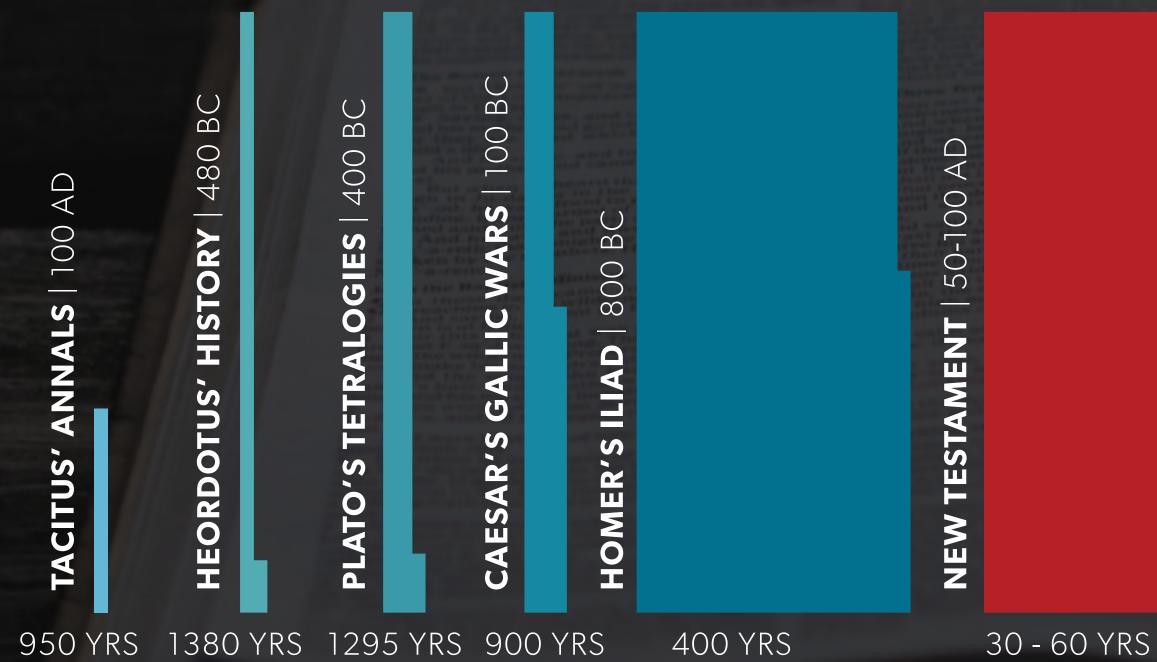

The evidence we have for the preservation of the New Testament is simply staggering - especially when compared to any other similar work of antiquity.

### PRESERVATION OF THE NEW TESTAMENT

There are over **5700** Greek hand-copied manuscripts containing either parts or all of the NT. The average size of a NT manuscript is over **450** pages. Some of the earliest manuscripts are dated possibly to within <u>60</u> years of the originals

### PRESERVATION OF THE NEW TESTAMENT

Simply stated, **no other work of antiquity** has the same level of manuscript evidence to support the **faithful transmission** of the text as the New Testament documents.

### Aren't there more textual variants than there are words in the New Testament?

How can we have any confidence about the text if there are that many 'mistakes' in the copies?

# **JOHN 5:4 KJV**

Because we have access to more ACCURATE and **EARLY** manuscripts than the KJV translators in the 17th century, we have been able to determine verses which were not original.

Δικαιωθέντες οὖν ἐκ πίστεως εἰρήνην ἔχωμεν πρός τόν Θεόν διά τοῦ Κυρίου ἡμῶν Ἰησοῦ Χριστοῦ

# ROMANS 5:1

- Δικαιωθέντες οὖν ἐκ πίστεως εἰρήνην ἔχωμεν πρὸς τόν Θεόν διά τοῦ Κυρίου ἡμῶν Ἰησοῦ Χριστοῦ
- Δικαιωθέντες οὖν ἐκ πίστεως εἰρήνην ἔχομεν πρός τόν Θεόν διά τοῦ Κυρίου ἡμῶν Ἰησοῦ Χριστοῦ
- Therefore, since we have been justified by faith, we have peace with God through our Lord Jesus Christ.

### An Embarrassment of Wealth of Evidence

"The evidence for our New Testament writings is ever so much greater than the evidence for many writings of classical authors, the authenticity of which no one ever dreams of questioning ... if the New Testament were a collection of secular writings, their authenticity would generally be regarded as beyond all doubt." (F.F. Bruce, The New Testament Documents: Are They Reliable?, pg 10)

# WHY DO SKEPTICS STILL NOT BELIEVE?

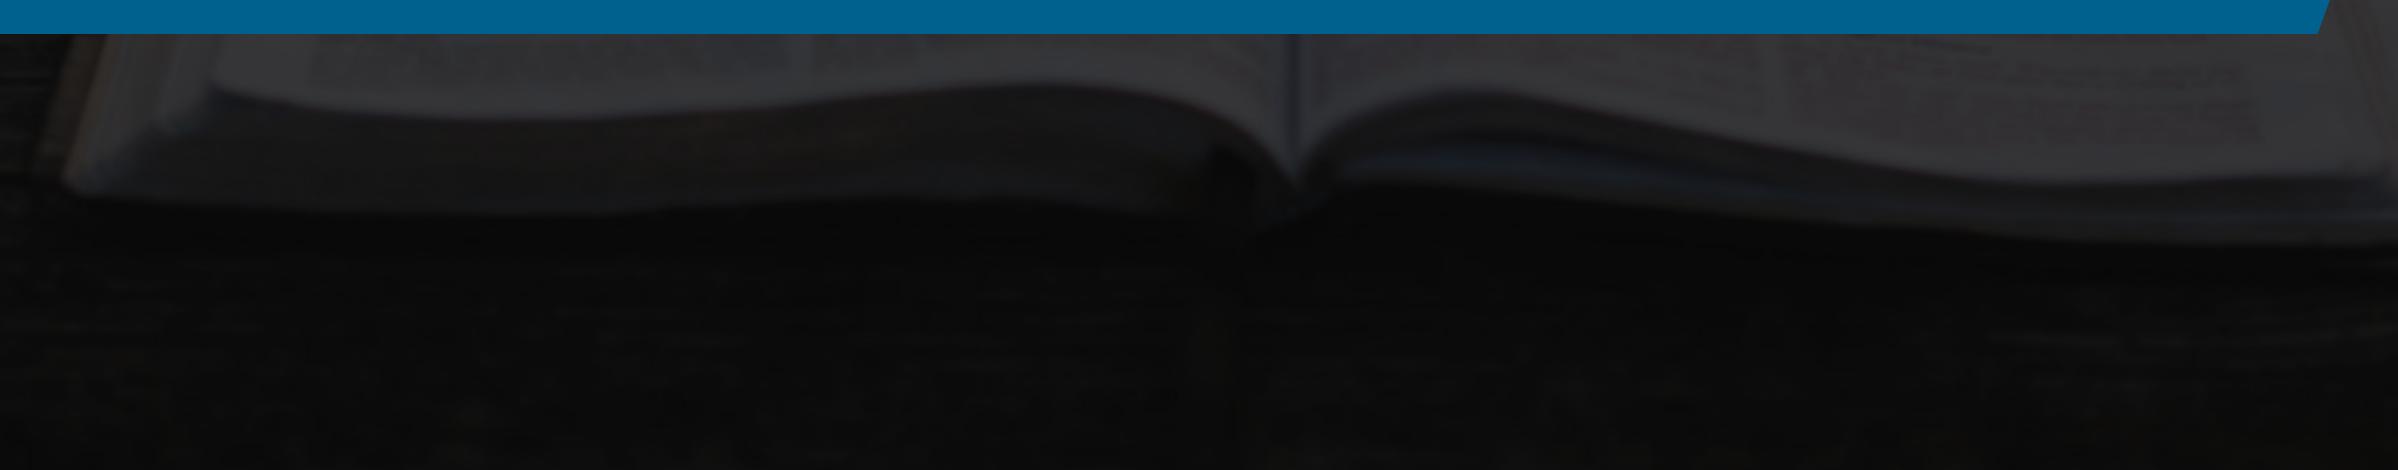

"And this is the judgment: the light has come into the world, and people loved the darkness rather than the light because their works were evil." (|ohn 3:19)

**TAKE AWAY:** The historical record of manuscripts show how the biblical text has been faithfully transmitted to us in a way that shows God's providential preservation of His Word.

# **3. TASTE AND SEE!** HAVE I EXPERIENCED THE BIBLE'S GOODNESS?

### TASTE AND EAT THE HONEY!!!

### God's word calls us to "TASTE and SEE that the Lord is good!" (Psalm 34:8)

### THIS BOOK READS YOU

For the word of God is living and active, sharper than any two-edged sword, piercing to the division of soul and of spirit, of joints and of marrow, and **discerning the thoughts and intentions of the heart**. (Hebrews 4:12)

### A. TASTE AND SEE PERSONALLY

### Only then can you agree with the Psalmist:

"How sweet are Your words to my taste, sweeter than honey in my mouth." (Psa. 119:103)

### **B. HELP OTHERS TO TASTE AND SEE**

The reason some refuse to believe the Scriptures is not that there is any defect or lack of evidence in the Scriptures (the indicia are clear and objective) but that those without the Spirit do not accept the things from God (1 Cor. 2:10–14). (Michael J. Kruger, Canon Revisited)
